

Declaration of consent

For the use of photos or videos and disclosure of full name

I,

(First and last name)

born on

(Date of birth)

residing in

(Street, address, postal code, city/town)

(Phone or e-mail)

hereby give my **consent** that the photograph(s) and film recording(s) taken of me on _____ may be used by the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety free of charge for public relations purposes without restrictions on location.

I agree that the photo(s) and videos(s) and my name may be used in both electronic and printed form, for instance online, in social media or in brochures.

I am aware that my consent to the use of this personal data is voluntary and I can revoke my consent completely or partially with future effect at any point. A decision to **revoke** consent should be sent to the contact address below. Consent is valid indefinitely unless revoked.

I have been made aware that my name and the photos and videos of me will be accessible around the world once published online. Use or editing of these by third parties cannot be ruled out, even in the case that consent is revoked.

Location, date

Signature (or signature of legal guardian for minors under 16 years of age)

Data protection information

Where can I send my decision to revoke consent?

Federal Ministry for the Environment, Nature Conservation and Nuclear Safety
Stresemannstraße 128-130, 10117 Berlin, Germany

Phone: +49 (0)30 18 305-0

Fax: +49 (0) 30 18 304-2044

E-mail: poststelle@bmu.bund.de

What will happen when I revoke consent?

If relevant photo(s) and your name appear on our website, we will remove these from the site promptly, at the latest within two weeks after receipt of your revoked consent. Brochures and film recordings will continue to be used. However, when a new edition is prepared, we will ensure that the photo(s) or video(s) and your name are no longer included in the publication.

Who will be using my data?

External service providers will be entrusted with use of data, except where the Federal Ministry for the Environment, Nature Conservation and Nuclear Safety itself is responsible for processing and publication. The service providers are named in the ministry's privacy policy or are listed below:

Photographer:

(Name and contact information)

Other service providers:

(Name and contact information)

(Name and contact information)

Where can I get more information about data protection at the BMU?

You can read more about data protection at the BMU and your rights in the BMU's privacy policy, available here: www.bmu.de/disclaimer
