### #TimeForAction: IKI @ COP25

At COP25, participants could experience climate protection in #action – at over 75 events related to IKI. Whether panel discussions or exhibitions: In Madrid, IKI was able to show its diversity and launched numerous new initiatives: from Power-to-X-Secretariat to Nature Based Solutions and Gender Equality to Sustainable Land Use and Farming.

We would like to thank all IKI implementing organisations for their commitment to the COP25 and their IKI projects and are looking forward to continued successful cooperation in 2020.
