## Now open: IKI Call for thematic programme outlines

The Federal Environment Ministry has launched a new IKI call for programme ideas for global climate action and biodiversity conservation. It has earmarked 240 million euros in funding for the selected programmes in 13 thematic areas. Depending on the idea, programmes can each receive funding of between 5 to 20 million euros. Programme outlines can be submitted until 19 March 2020, 24:00 Hrs (CET) exclusively through the IKI online platform.
