## Federal Environment Ministry launches call for programme ideas for global climate action and biodiversity conservation

The call for the thematic selection procedure is currently open since 21 March 2019. The IKI has earmarked 240 million euros in funding for the selected programmes in 12 thematic areas. Depending on the idea, programmes can each receive funding of between 5 and 20 million euros. Programme outlines can be submitted until 18 July 2019, 24:00 Hrs (CEST) exclusively through the IKI online platform in English.
