## International Climate Initiative 2020 review – Challenges and Solutions

IKI's commitment to addressing climate change mitigation and biodiversity conservation continues, despite the challenges posed by the COVID-19 pandemic. Thanks to concerted efforts by all our partners, to take up IKI's new strategies in extending a 68 million euro Corona Response Package, integrating the Green Recovery as part of IKI funding and enhancing communication. Read more on this, as we look back at the past year on IKI challenges and solutions.
